

2020 Southern Regional Grant Conference Social Activities

A crucial element of any professional development is the relationships built with your peers. The Southern Regional Grant Conference offers multiple social activities for just this occasion. Meet your fellow grant professionals and get to know them better at any and all of our planned events.

- Wednesday Meet & Greet at Evening Reception

On Wednesday, from 5:30-7:30 in the Embassy Suites lobby atrium, we will join the hotel's evening reception, enjoying complimentary drinks and snacks (for those who have a reservation). Drinks may be purchased if you are not a guest at the hotel. This is your opportunity to ask questions about upcoming events, get recommendations for dinner, and network before the conference starts.

- Outdoor Adventures

Greenville's Swamp Rabbit Trail is a favorite of runners and cyclists. The 22-mile multi-use greenway is a great way to start your day. Running and walking groups for conference attendees will leave the Embassy Suites Hotel lobby at 6 a.m. on Thursday and Friday for a morning jaunt.

- Thursday Night Dinner

After the first day of the conference, you are invited to join your fellow conference attendees for dinner, on your own dime. Two locations are offered, both within walking distance of the conference hotel. There is a maximum number we can take to each restaurant before additional fees are added to our bill. Therefore, a survey will be emailed to all registered attendees a week before the conference to start an RSVP list. Details about each restaurant option are listed below:

1) Liberty Taproom and Grill – Max Attendees is 29

Liberty Taproom provides a lively ambiance in which to chow down on tacos, burgers, pizza, and your favorite brews.

941 S. Main Street / Average cost of a dinner entrée \$15 or less
