

# Southern Regional Grant Conference

#SRGC2022

**Southern Regional Grant Conference** offers two full days of specialized grant training, networking, including a pre-conference workshop. The conference is hosted by three Chapters of the Grant Professionals Association. Six breakout sessions (a total of 19 grant related workshops) will feature local and national grant experts.

You won't want to miss our **Keynote Speaker Marc A. Pitman**. Marc is an international leadership coach and fundraising trainer. He uses wit and humor to help nonprofit board members and staff get excited about asking for money. He authored the book *Ask Without Fear!*® and is the executive director of the affordable fundraising training program *The Nonprofit Academy*.

The breakout sessions will accommodate both **novice and expert level grant professionals** from all aspects of the field: government, nonprofit, healthcare, education, consulting, and more!

Your entire **grant team or development office should attend**. Registration includes lunch, snacks and beverages. Learn from grant experts, participate in the silent auction, learn in small groups, and socialize with grant friends.

Join us in **Greenville, South Carolina on Thursday-Friday, April 21-22, 2022**.

Take advantage of the **Early Bird Pricing - \$199 through January 31, 2022**.
